

Midnight...
an ox cart riding fast in a mountain road.

people gather on the mountain top holding torches
ox cart can be seen

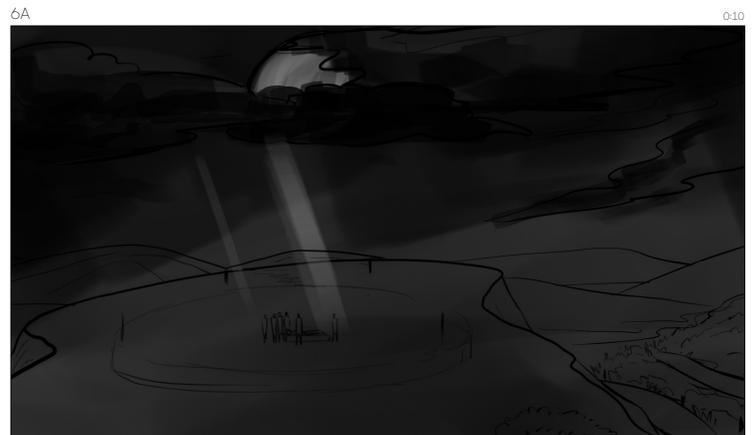

a witch comes out of the wagon with a mysterious object

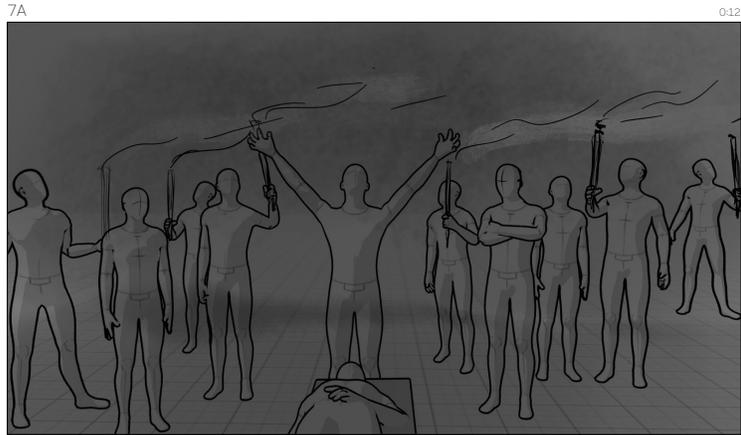

jayasenas headless body can be seen
people gather around for some ritual and the witch holding a bears head up and chanting mantra

the witch fix the bear head to the body

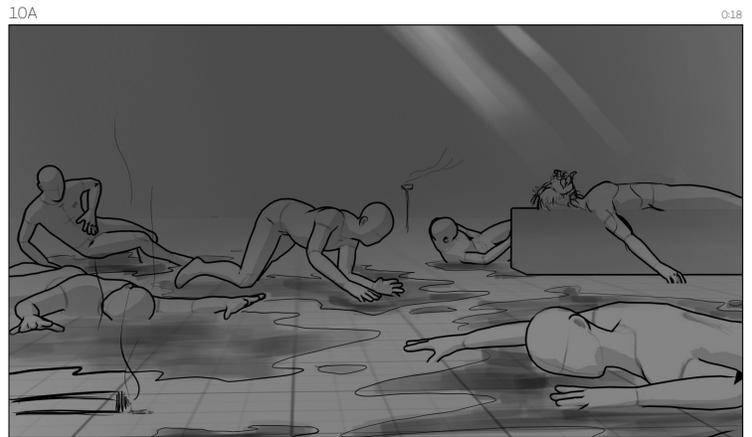

suddenly darkness covers entire arear, mantra chants are echoing

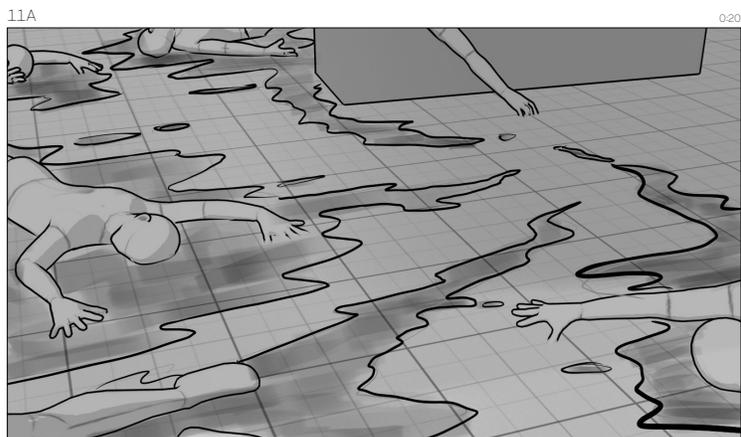

suddenly a wind blows and all the torches blows out
the whole area is now pitch black
the witch still chanting

the witch starts bleeding from his mouth and in a second everyone starts to vomit out blood

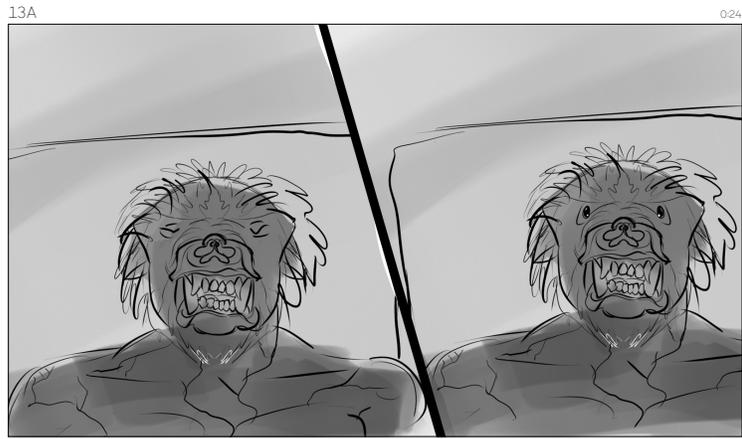

people can be seen dead on a pool of blood

blood gradually flows down to a same place

blood sucked into the dead jayasenas body through his fingers

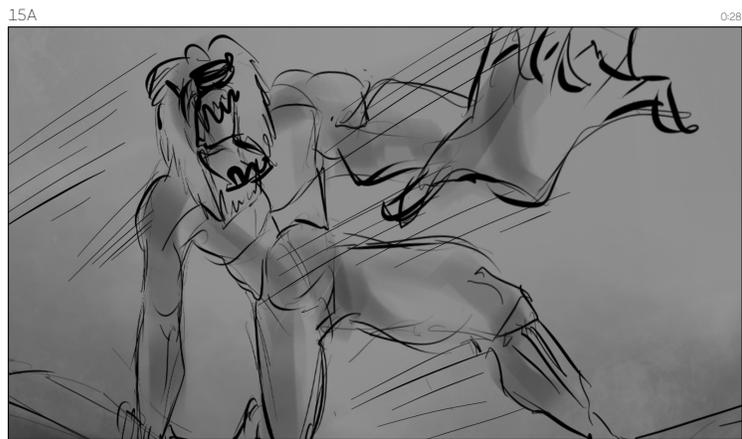

the body with a bears head opens his eyes

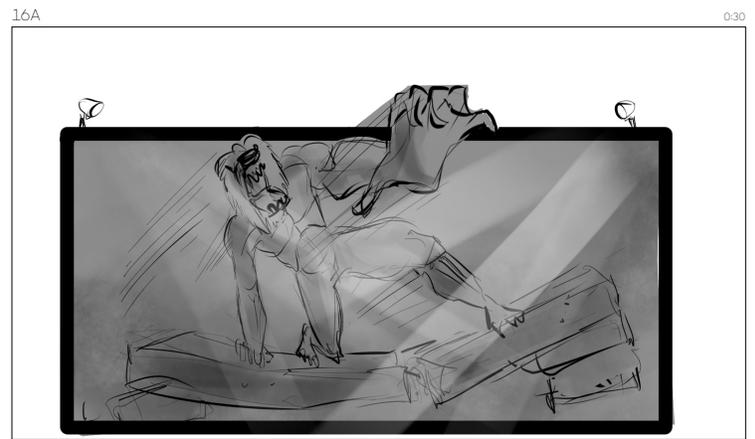

jayasena became a demon

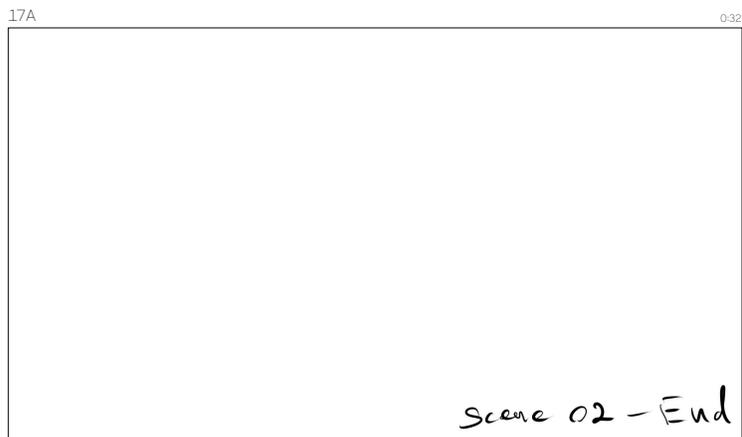

as he try to stand up the stone slab cracks in to two peices

the deamon jumps toward the camera

camera zooms out and the scene cuts into a movie banner on top of a theater
present time , night
